

Alex Schlindwein for Old Blues Officer

Why should you vote for me?

Although this is only my first year (of many to come – yay Medicine) I have already been involved in the Old Blues Match and Dinner this year and so I am aware of what is required.

I would like to maintain the close-knit community which is the CUFC family and my goal is to make sure that people feel like they never left (#cufc4lyf, #noescape). I think it would be nice if we had a little more contact with old members, keeping them up to date with the current state of CUFC and all of the success that we will be basking in. This way they too can deservedly bask in CUFC glory which they will have laid the foundations for during their time here.

Skills

I am well organised and also very aware of the amount of work I will have next year and with this in mind I have chosen a role which I feel that I can commit to fully. Although I do not have specific experience at organising such an event here at Cambridge, I am very keen to learn from the more senior members of the club. I would liaise with our current Old Blues Officer, Harriet, and take on board her advice and suggestions in order to make this event as successful and enjoyable as possible.
