## CUFC Treasurer

I offer a **variety of experiences and abilities**, making me well suited for the role of Treasurer.

- In high school, I was a Student Council member and **managed budgets of over \$2000**. This included ordering catering, overseeing AV, and contacting local press for events such as prom, homecoming, and fundraisers.
- I **organized all finances and travel plans** for the school Quiz Bowl team, in addition to securing over \$1000 in donations from local businesses.

I hope that this shows **I take a real interest in my activities!** I genuinely want to better CUFC, and will work hard to do so.

I am confident that I can successfully fill the role of Treasurer. If you have any questions or suggestions, please let me know!
